

PDH Academy

2021 COURSE CATALOG

Trusted by professionals nationwide since 2013, PDH Academy provides regulatory training and certification to licensed professionals and companies. Our courses are approved by the appropriate state regulatory agencies, national organizations, or national accrediting bodies, giving you peace of mind that our courses are approved for your professional license. Our mission is to provide hassle-free, cost-effective education so you can stay on track with your career.

As a leader in continuing education and licensing courses, PDH Academy strives to bring the best content to our students. Our library of over 600 courses has been developed by instructors that are experts in their field, which means you're getting the most comprehensive, up-to-date material possible.
